**Statement from Dr Ruby Dhalla, Member of Parliament for Brampton-Springdale
regarding Terrorist attacks in Mumbai**

I share the shock and concern of many Canadians in learning of the series of terrorist attacks in Mumbai which have taken the lives of many innocent individuals and injured hundreds of others.

In speaking to many friends who reside in Mumbai I have heard first hand of their grief, sadness, and distress.

The innocent civilians and foreigners that have been targeted in these attacks are devastating. I join all Canadians in strongly condemning all acts of terrorism that have taken the lives of far too many.

My thoughts and prayers are with the families and friends of those that have been killed and injured. During this difficult time I join many Canadians in offering our support.
