Obama's Victory is our Victory

Statement from Dr. Ruby Dhalla, Member of Parliament, Brampton-Springdale

On behalf of the constituents of Brampton Springdale it is a pleasure and honor to congratulate president-elect for the United States of America, Barack Obama, on his resounding win in yesterday's U.S presidential election.

Obama's victory is an inspiration to all of humanity and sends a message of hope for every women, man, child, senior to always believe in themselves and pursue their dreams. Mr. Obama has won the hearts and minds of people with his speech, his passion, and his vision of hope. His victory is a defining moment for America, the world and democracy.

It is my hope that his victory will help strengthen the relationship of our nation with the United States and open the doors to many more possibilities and opportunities for all citizens. As all countries struggle to deal with the growing economic crisis Mr. Obamas message of change will provide an opportunity for both Canada and the United States to work together on behalf of the people.

Barack Obama as President of the United States is a global symbol of hope for people throughout the world.
